Subject: EPA causality study; follow to the February 9th monthly check-in meeting
Attachments: Amendment 2 PWS - TO #68HERC21F0010.pdf

Importance: High

Samm,

Thank you for organizing and leading our last monthly check-in meeting. As you will recall, near the end of that meeting the conversation included some discussion of the forthcoming report. EPA would like to discuss the statement of task and its relation to the report being generated by NASEM. Please confirm your availability for Wednesday February 23rd from 10:30 to 11:30 AM.

Thank you and kind regards,

Dave
